

Thank you for considering an account with Brews Supply. Brews Supply offers credit facilities as a convenience to our regular customers. All accounts are legally due within 30 days of invoice date. Accounts that have outstanding balances on invoices in excess of 60 days from the invoice date will be placed on hold until satisfactory arrangements for payment have been made. However, Brews reserves the right to decline further credit at any time. Interest on outstanding amounts will be charged at a rate of 2.0% per month. Accounts that are not used for twelve months will be closed.

It is Brews' policy to accept MasterCard or Visa credit card payments at the time of purchase only.

There are three requirements to opening an account:

1. We receive a completed and signed credit application (attached).
2. Our credit checks determine that you have an acceptable credit standing.
3. We determine that you are likely to do at least \$5,000 per year in business with us. In most cases this means that we will have an order pending for at least \$1,000.00.

If you wish to make a one-time purchase for less than \$1,000, we are pleased to take VISA, MasterCard or corporate cheques.
