

New solutions for your lockout tagout needs

new

Brady SafeKey Lockout Padlocks

Advanced key security. Ultimate key precision.

- Get up to 700% more unique key codes than traditional padlocks with the newly designed linear locking mechanism
- Smooth and easy key insertion and removal
- Easy identification with color-matched keys and lock body
- Single-piece body design for excellent durability in industrial environments

BatteryBlock™ Cable Lockout for Commercial Vehicles

Easy prevention of accidental connection

- Non-conductive post and cover prevent the cable from slipping or being pulled out of the device
- Low-profile design for tight working areas
- Space for up to two padlocks so your device stays secured throughout maintenance
- Large size fits terminal end and inline connectors

BatteryBlock™ Power Connector Lockout for Forklifts

Locked out and locked down

- Unlike current products on the market, this device fits on 175A and 350A power connectors with and without handles
- Single-piece design with space for two padlocks
- Non-conductive pins ensure the device stays tightly in place during off-shift periods or maintenance projects

Pendant Control Safety Cover

Put this on to keep hands off

- Rigid sides prevent access to buttons
- Use on multiple pendant control sizes — expands to fit 4 – 18 in. pendant controls
- Transport and store easily with unique collapsible design

BradyJet J2000 Color Label Printer

Improve productivity with safety visuals

- Create custom identification that includes high-resolution images with more than 16 million color options
- Quickly complete identification projects when you need to with on-demand printing
- Get clear identification fast without taking up too much space

Brady Inspection Timer

Shed some light on your inspections

- Track inspection needs at a glance with LED lights that change color to indicate the time remaining before the next inspection
- Color LEDs break through the grime in your facility
- Varied timing options for 7 days, 30 days, 90 days, 6 months and 1 year
- IP65 rated so it withstands water, dust, extreme temperatures and more

SlimView™ Group Lock Box

Serious storage in a small footprint

- Innovative narrow design and recessed door allows padlocks to hang straight
- Steel body and polycarbonate door outlasts your customers toughest jobs
- Storage for up to 12 padlocks and easy mounting options
