

A rare opportunity – but well worth it

Trade up. Your FREE printer is waiting ...

Yes, it's true — and 100% worth it. When you trade up, you'll label faster and more efficiently, which is a great way to better your business.

How it works

Send us your eligible printer and get a **FREE** BMP®61 (Wi-Fi or base model) or BMP®71 Label Printer when you purchase 12 rolls of label materials.*

The perks

High performance — get better print quality and finish your work faster with your FREE printer

Bigger print jobs — High volume? No problem, with your FREE printer

Versatile — design, edit and print up to 2" labels with your FREE printer

If your business needs more flexibility, let the BMP61 and BMP71 provide the solution. They'll grow with you, offering their higher-volume capabilities for jobs that need slightly wider label widths:

- Datacom
- Electrical
- Wire and cable
- Safety
- General identification
- Lean / 5S

And, did we mention the printer is FREE?

Step 1

Do you have an eligible printer to trade up?
